

# Senior Seminar Reflection

**I. What is the most important personal satisfaction gained from this experience?**

---

---

---

---

**II. What is the most important skill you have acquired during the project phase?**

---

---

---

---

**III. What significant problems did you address in order to complete your project?**

---

---

---

---

**IV. Would you be willing to share your project as a model for next year's students?**

---

---

---

---

**V. If given the opportunity to redo the project, what would you do differently?**

---

---

---

---

**VI. Beyond the project itself, what did you learn about yourself?**

---

---

---

---
